

Getting your child started in

## Myon E-Library

[www.myon.co.uk](http://www.myon.co.uk)

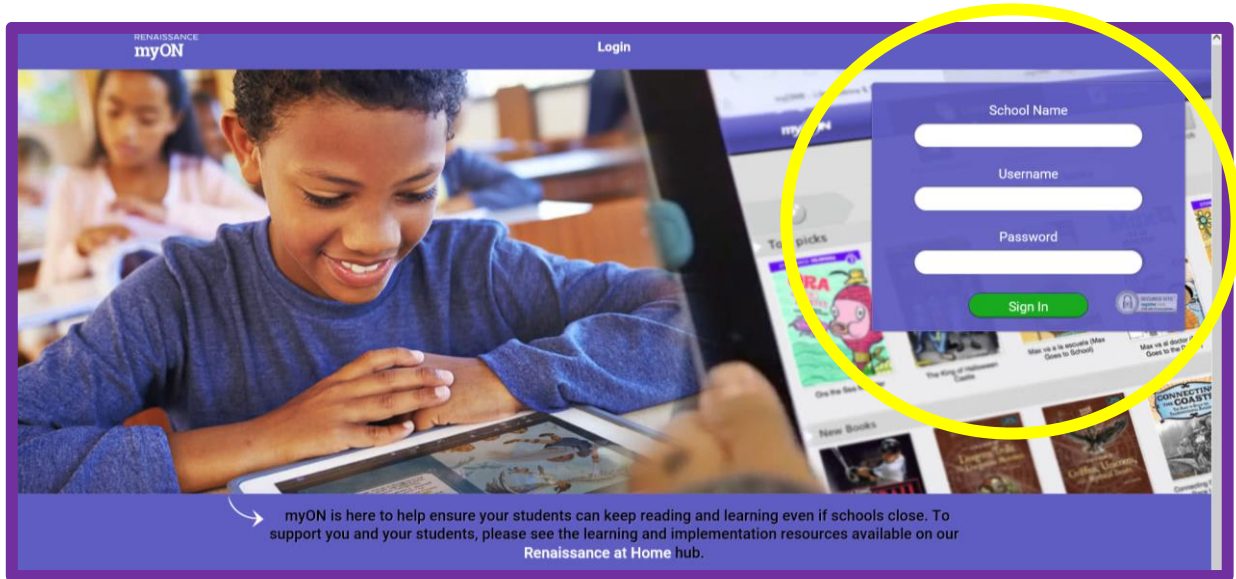

Myon gives children access to thousands of digital books, including fiction, non-fiction and graphic novels.

The digital books available cover a wide range of reading levels and topics so that children can engage in frequent, high-quality reading practice.

We have purchased this for the pupils of St. Mary's so that our pupils have access to reading material anywhere, anytime.

To get started, go to the website [www.myon.co.uk](http://www.myon.co.uk)

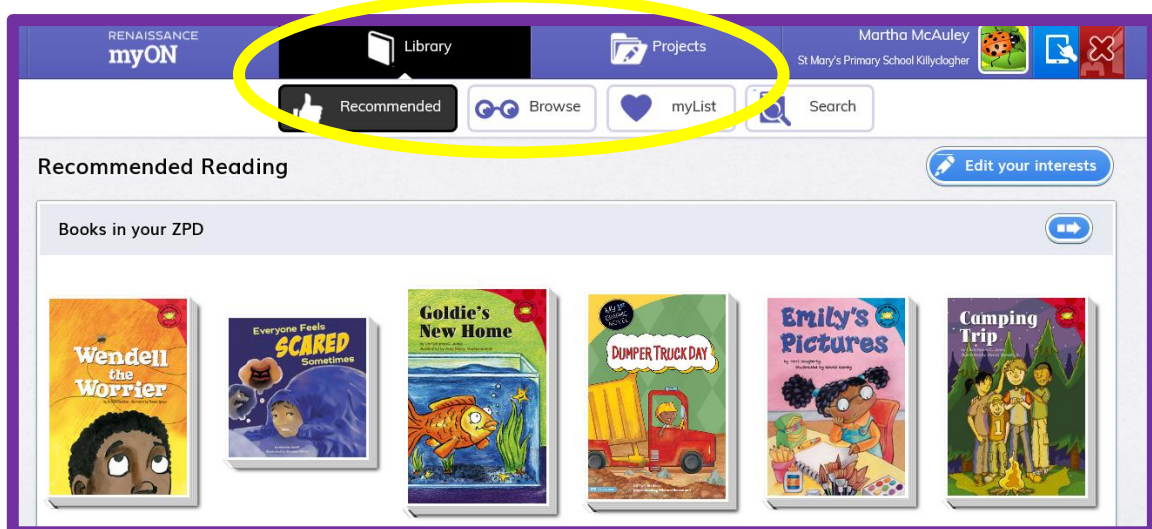

You will see a screen like this.

Start by entering **St. Mary's Killyclogher** under 'School Name'. A box with our full school name will appear – click on this to select it.

Next enter your child's **username** and **password** which the teacher has provided. Click '**Sign in**'.

This will bring your child to the **Library** where they can see recommended books, browse for a book, look at books on 'MyList' or search for a book.

Once your child finds a book, move over it to see the options available.

90% of books available give your child the chance to 'Take an AR Quiz' after reading it. If your child is in Years 3-7, this will build up Accelerated Reading points towards their target set.

Read to succeed everyone!
