

We want every child to enjoy and benefit fully from the activities on offer.

Here are some things parents/guardians can help with:

- Your child should bring a healthy snack(s) and drink.
- Your child should bring sports gear to change into if doing any physical, sports or dance activity (all age groups).
- Our usual high standards of behaviour are expected in the after school programme. Parents will be contacted if there are issues in this regard. Any child persistently misbehaving will not be allowed to continue in a Club.
- Please bear in mind: children cannot be supervised on a 1:1 basis during after school activities. Tutors and staff are there to support the group.
- School staff and tutors maintain registers and know who is registered to stay. Please let school know in advance if your child is registered but not staying.
- Children cannot 'drop in' to Clubs. Clubs have a maximum number of children allowed and so, to meet our staff ratios, please always register in the office in advance.
- Even if your child stays for part of a session, the hourly rate of £3.50* applies.
- In the interest of safety, please collect your child from the front foyer.
- It is essential that all pupils are collected on time. **There is no facility for pupils to wait for a further 5, 10 or 15 minutes until parents arrive as staff move to supervise other activities or finish for the day at 5.00pm and then school is locked.**

Please work with us to ensure that all children are collected on time.
With thanks.

Extended Provision in St. Mary's Primary School, Killyclogher

BEFORE SCHOOL

Early Drop-off Club runs from 8.15am in the morning, priced £1.00 per day for all pupils in all year groups.

(This goes towards staffing costs). Numbers are limited and parents must register in advance.

Breakfast Club available in the School Canteen from 8.30am for any children wishing to eat.

Supervision for all other children in all year groups arriving to school is available by class teachers from 8.50am.

AFTER SCHOOL

After school activities run

until 4.00pm for Years 1 and 2 and

until 5.00pm for Years 3-7.

Each Club is £3.50 per hour.
